6. LIBRARY FACILITIES:

LIBRARY RESOURCES

- The College Library is situated in the 3rd Floor of the old building with a beautiful overview of the Hooghly river and Dakshineswar Temple. This Library was established in the year 1927 and has a rare book section of invaluable books.
- Presently, the total number of books in the Library is 21,115 and every year there is a fresh purchase of books from the UGC grants. The Library remains open on all days except on holidays and Sundays. There is a duly constituted Library Committee.

- The manual cataloguing of the books is nearly complete. The library catalogue is being wholly computerized. This monumental work is progressing satisfactorily and is expected to be completed by next year. The library infrastructure has also been revamped with more organised racks, proper seating arrangements and improved toilet/drinking water facilities. Each department is upgrading their seminar library with addition of new books and journals.

- Due to heavy rains in the last year there was a leakage of the roof and several books had been damaged. To avoid further damage, all the books of the Central library had been shifted to a new hall to facilitate the treatment of the roof of the Central library. After proper repair of the roof, the shifting of such books to the renovated Central Library has been made.

SOME SALIENT FEATURES:

- i) Total number of Books and Journals:**
Books: 21,115
Journals: Nil.
- ii) Almost all books have been catalogued in the library.**
- iii) Library is partially computerized.**
Accessioning, cataloguing and staff register have been completed.
Student Register is properly maintained.
- iv) Reading Room is open to all students from 11 a.m. to 4.30 p.m.**
Attendance is maintained by daily register.
- v) Number of Books issued in 2007-2008:**
 - a. July 07: **Nil**
 - b. August 07: **86**
 - c. September 07: **557**
 - d. October 07: **185**
 - e. November 07: **255**
 - f. December 07: **130**
 - g. January, 08: **190**
 - h. February 08: **95**
 - i. March 08: **103**

- j. April 08: **10**
- k. May 08: **Nil**
- l. June 08: **Nil**

- **A Career Corner is created in the main Library** to keep books regarding, general knowledge, carrier guidance and entrance examination for different job in December 2006. **About 70 books** regarding this are kept here which are all of latest edition. The costs of these books are **approx. Rs 5000**
- **The initial UGC grant of Rs. 1.38 lakhs allotted for buying books is being utilised. 493 books have already been purchased for that purpose.**

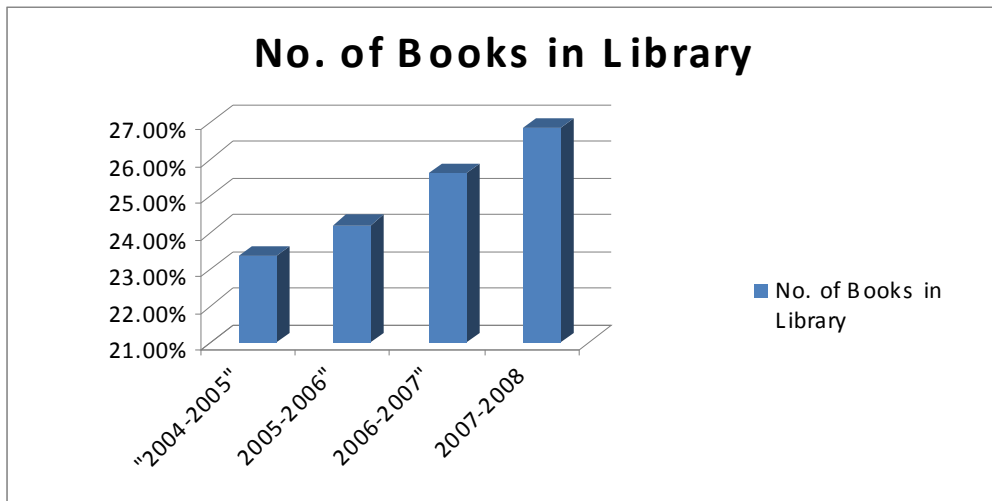

SOME INITIATIVES ARE TO BE TAKEN FOR IMPROVEMENTS:

- Computers for students for browsing and access to the stock of books in the Main Library through LAN and Customize software are projects, which are in the pipeline. Internet facilities will also be made available to them after installation of LAN.
- The authority will arrange training for the office and Library staff after installation of LAN to enable them to learn the handling of customizes software.
- The college is almost 125 years old. So the library possesses old and rare books, some dated almost 100 years old. Certain procedures have been taken to ensure its preservation but much more concerted action is needed.

8. INFRASTRUCTURAL FACILITIES:

INFRASTRUCTURAL FACILITIES

A. The College is 118 years old. The total area of the College is 4606.20 m². The old building has no scope of horizontal or vertical expansion. However, the centenary building has scope for vertical expansion only. Accordingly efforts were made for funds and grants have been received from

- **MP – LAD fund:** The local Member of the Parliament is an alumnus of this college and he has kindly donated an amount of Rs. 20 lakhs from his MP-LAD Scheme for expansion of the Centenary Building. Accordingly steps are being taken by the Building Committee to construct the 3rd floor of the new building.
- **The Building Committee** looks after and maintains the building infrastructure. Necessary renovations are carried out during vacations.

- There are **Committees for Library and Laboratory** for the overall maintenance of these infrastructures.
- **Annual Service Contracts** are given for Computer Maintenance and Pest Control.

B. Classrooms: 31

Each classroom can accommodate approximately 175 students. The classrooms are well ventilated, with lots of sunlight, ideal for a crowded classroom. The classrooms allotted for Bio-Science Honours classes are well equipped with OHP and other audiovisual aids.

C. Other rooms:

- **Principal's Room.**
- **Bursar's Room**
- **IQAC Room**
- **Students' Section.**
- **Office**
- **Cash Division.**
- **Staff Room – General**
- **Staff cum students Reading room** for the following Departments:
 - Bengali
 - English
 - Sanskrit
 - Political science
 - History
 - Philosophy
- **Separate Departments** for the following Departments:

- Physics
 - Chemistry
 - Mathematics
 - Botany
 - Zoology
 - Physiology
 - Commerce
 - Economics
- **Control room for conducting University Examination**
 - **Examiners' room** for spot evaluation & scrutiny of University Examination Answer Scripts (e.g. ENVS, Compulsory English, Bengali, Political Science and Philosophy)
 - **Seminar Library** Room for English, Bengali, Sanskrit, Political Science, Philosophy, History
 - **Office of Netaji Subhas Open University**
 - **Boys' Common Room**
 - **Girls' Common Room**
 - **Students' Union Room**
 - **Gents and Ladies Toilet in each floor**
 - **Students' Canteen**
 - **Staff Canteen**
 - **NTS Recreation Room**

D. Laboratories:

There are **06 Laboratories** (Physics, Chemistry, Botany, Physiology, Zoology Computer laboratories for courses in computers, and Computer Science) in addition to a medicinal plant garden.

E. The College Library utilizes a space of 188.44 m² with a Reading Room for free access of students, a Teachers' Reading Room and a Rare Book Section. This century old Library has rare books at the disposal of Researchers, Scholars, Undergraduates and Post-graduate Students of various disciplines.

F. Cycle Stand: About 50% of the students of this College use bicycle as their mode of transport. The Cycle Stand of our College accommodates approximately 200 cycles at a time, much to relief of the Students

G. The Centenary Hall:

College Auditorium: The ground floor of the old building has an Auditorium named "Centenary Hall". This hall can accommodate 320 people with a stage appropriate for performance of Drama, concerts etc. The hall, unique of its kind in the locality, not only helps the authorities to organize seminars, counselling sessions, college functions etc. but is also a centre for cultural and business oriented programmes for different organizations. The hall is also let out to business organizations, which help in generation of funds. In this aspect we would like to emphasize the maximum utilization of infrastructural facilities and role of the institution in the socio-cultural upliftment of the surrounding area.

- The accommodation which is unique of its kind with a stage for cultural activities and an accommodation for 320 people is used for; Academic purposes; conducting Seminars, Counseling for admission to Degree Courses, classes etc.

- **Cultural Activities:** This auditorium is used by social organization, schools, Library Organization, Cine Club etc. as a platform to carry out various activities related to the overall cultural upliftment of the community.
- **Fund Mobilization:** The Hall is let out to business organization which helps in the generation of funds.

INFRASTRUCTURAL

IMPROVEMENT

In spite of the limited space the steps taken to keep the campus beautiful and pollution free the authorities have ensured:

- Maintenance of a small garden in front of the college, adjacent to the main gate of the College.
- A small Botanical Garden with medicinal plants adds beautification to existing academic interest.
- NSS volunteers take keen interest to keep the campus pollution free.
- The Chemistry Laboratory is designed to keep the Laboratory as well as the campus pollution free
- The Zoology & Physiology Laboratories take care so that the dead animals and their tissues are properly disposed off to prevent putrefaction.

INFRASTRUCTURAL

NEED

- **PLAYGROUND:** Presently there is no playground in the campus of the college as there is an acute crisis of space.
- **GYMNASIUM:** Presently there is no facility for a gymnasium.
- **COMMON ROOMS:** There are two separate common rooms for boys and girls with indoor games facilities.

RECENT

INFRASTRUCTURAL

DEVELOPMENTS

- Expansion of certain department of Zoology, Mathematics and Chemistry.
- A Maintenance Committee is setup to look after the overall infrastructure maintenance of the college.
- 4.5 lakhs have been sanctioned from MP lad funds to upgrade the Physics department.
- New area and furnished room for NSOU Unit of the college.
- New classroom allotted for theoretical classes for Job Courses.
- Renovation and remodeling of Commerce to enable Post Graduate Teaching
- **Dismantling of tin roof and Renovation of Physiology department with MLA LAD FUND.**
- Construction of Medical Laboratory for the JOB COURSE Medical Laboratory Technology Sponsored by UGC
- New room in the Third floor allotted and renovated as girls common room
- Painting of Girls common room and Library.

vi. **GOVERNANCE:** In the last 3 years, 16 meetings of the Governing Body were held. The break-up is given below:

12. STUDENTS' AFFAIRS:

i. **ATTENDANCE AND DISCIPLINE:** Both these aspects are given top priority in the college.

ii. **GRIEVANCE REDRESSAL MECHANISM:** A formal cell is being formed. All grievances received by the CELL shall be recorded in the Register of Grievances with particulars such as date of grievance, date on which it was received by the CELL, name/s of the person submitting the grievance, person examined, action initiated and recommendations made. The Grievance CELL meets as often as may be necessary depending on the number of cases of grievances registered with the Cell.

iii. ACTIVITIES OF THE STUDENT UNION:

The Student Union is an active and constructive body in the college managed democratically by the students themselves. They organize a bevy of activities, a summary of which is given below:

v. PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES:

STUDENTS ACTIVITIES

A. SERVICE LEARNING THROUGH BLOOD DONATION

- The Students Union of Raja Peary Mohan College organizes Blood Donation Camp Every Year in collaboration with Central Blood Bank, Manicktala, Kolkata. The College collects blood of at least about 60 donors. The blood is stored and transported under optimum condition with the help of Central Blood Bank workers and Students of the College. Transfusion was always under the supervision of trained personnel. Under the policy, blood transfusion is available to people irrespective of their economic or social status.

B. TOTAL LITERACY DRIVE

- The Department of Bengali, Raja Peary Mohan College regularly visits the primary schools in the slums area of Uttarpara, Hooghly and teaches the socio-economically backward students of the school. The resource for this is generated by the teachers and department of Bengali. The literacy drive has made possible to improve the performance of the students and also promote volunteerism and community work in the field of education and child empowerment.

C. CULTURAL AND CO-CURRICULAR ACTIVITIES

This College have always encouraged cultural activities among students. A few examples may be cited:

- **Freshers' Welcome:**

At the beginning of the Academic Session, after admissions are complete, the Students' Union Organise Freshers' Welcome for the newly admitted students. The Principal and some members of the Staff apprise the students regarding the College, its ambience and aims. This is followed by Cultural Programme organised by the students.

- **College Drama Group:**

- From 1957 plays were regularly staged during the annual festival of the College. It is said that the students of the College were taught the techniques of acting by the famous Indian theatre personality Sisir Kumar Bhadhuri (who was once a College teacher in English) who came to the college regularly to direct the students of the College for a presentation of Tagore's Post Office. (*Theatre Prayag*, p-73, Vol. 3, No.1, October, 2004).
- We would like to specially emphasize the role of the students of this College in taking active participation in cultural activities in the form of theatre, dance-drama, singing competitions etc. The Students' Theatre Group was ranked first in "All Bengal Inter-College Drama Competition" under the leadership of Dr Kuntal Mukhopadhyay, a prominent theatre personality and a faculty member of the college, organized by Sudrak and sponsored by Maharaja Manindra College, Kolkata.
- The Students' Union actively participates in socio-cultural upliftment through production of dramas which are staged in various villages and townships of the districts of West Bengal. Such dramas depict the Social evils, the atrocities against women and the downtrodden.
- Presently the ex-students of the college has formed a theatre group "Saronik" which performs regular shows in different districts of the state and has also received some recognitions from theatre loving persons of Bengal.
- The Shakespeare Society of India has staged excerpts from the plays of Shakespeare in which the students of English Honours have actively participated.

- **Students' Festival:**

A two-day programme is held in the month of January every year. The major programmes are:

- Prize Distribution Ceremony: Prizes are distributed among successful candidates of various University Examination who have topped among the College students, and to winners of Singing, Recitation, Debate, Extempore Speech, Quiz Competitions.
- Inter-Institutional Cultural Competition: Academic Institution in and around the College are invited to participate in a cultural competition. Every year a significant number of schools take part in this programme. Such initiatives are taken to spread the message of peace, equality in diversity and a drug-free world among the future of the Nation.
- The students of the Departments of Bengali, Philosophy, English, Physiology, Political Science, Physics, Chemistry, Economics, History, Mathematics, Zoology, Botany, Commerce have organised function to felicitate teachers on Teachers' Day.

.....

In 2005 the college has been accredited by NAAC, under UGC and is graded B++.

The visiting peer team of the NAAC highly appraised the talents of the students in the field of performing Art, after seeing a programme of the students during their two days visit. They have recommended in their report to open a Performing Art Cell to encourage and uplift the talents in the field of Performing Art. After the formation of the Internal Quality Assurance Cell (IQAC), as is the process after NAAC accreditation, the college has established a **Performing Art Cell under IQAC** in 2007. The cell began its journey by participating in the weeklong cultural programme to commemorate the Sesquicentennial celebration of Calcutta University in the 2nd half of January 2007. The cell also organized a three days work shop on "Theatre Performance" from 20th to 23rd December 2007. About 50 students appeared for the screening tests from different colleges of West Bengal, among which 36 were selected. Famous theatre personality Sri Arun Mukhopadhyay inaugurated the workshop. The Secretary of West Bengal Natya Academy was also present and

NATIONAL SERVICE SCHEME (NSS)

Governing Body of Raja Peary Mohan College resolved to open a NSS unit in this college on 12.10.2004. Accordingly, one unit of NSS was opened and got the University affiliation and approval from Calcutta University in 2007. An advisory committee has been formed with the Principal, **Dr. Milan Kumar Pal** as the Chairman and **Dr Hrishita Gupta Bakshi** as the convener or the Programme Officer. There are 200 student members who form the backbone of the activities undertaken in the nearby slum areas recently.

Activities of 2007-2008:

- The college NSS unit organized a **Camp with the Physically Challenged Children** in September 2007. The camp was organized in the Deaf and Dumb School, located in Makhla, Uttarpara, Hooghly. The student members of the unit spent a whole day with them and learnt how to teach them, how to communicate with them and how they communicate with the so-called normal human being. We also got a glimpse of their creativity through their handicrafts items and small one act drama that presented before us.
- The unit organized a **Three Days drama workshop on “Theatre Performance” from 20th to 23rd December 2007** in collaboration with the Performing art cell of the college. About 50 students appeared for the screening tests from different colleges of West Bengal, among which 36 were selected. **Famous theatre personality Sri Arun Mukhopadhyay inaugurated the workshop.** The **Secretary of West Bengal Natya Academy** was also present and graced the occasion. After the three day workshop a **certificate of participation** was awarded to the participants.
- The unit organized a seminar on the **National Youth Day** in the college on 12th January 2008. Students of our college and also from different local schools participated in the seminar on **“Vivekananda and Aajker Yuva samaj”**. Speaker for this occasion was **Dr Somnath Bhattacharyya**
- The unit also undertook the task to make a **small garden in the college courtyard**. Several plants of flowers and also plants of other varieties are planted. Watering and regular caring of the plants are done by the students’ members of the NSS unit of our college.

Activities of 2008-2009:

- **The unit participated National level camp in Bhubaneshwar** in August 2008 with ten (10) students.
- **Workshop on “Solid Waste Management Improvement Project”** Organized by Raja Peary Mohan College NSS Unit and Kolkata Solid Waste Management Improvement Project managed by YACHIYO-SENES Group on 11/9/2008 152 of participating students actively

responded to commit their services to promote this project in their own families and communities. The details are as follows:

- 8 hours or more per week : 8 students
 - 4-8 hours or more per week : 18 students
 - 2-4 hours or more per week : 79 students
 - 2 hours or less per week : 46 students
- The unit is also preparing to organize a **health, nutrition and education awareness camp** in a colony among children of lower income group in the Uttarpara-Kotrung Municipality area on 25th December 2008

SERVICE LEARNING THROUGH BLOOD DONATION

- The Students Union of Raja Peary Mohan College organizes Blood Donation Camp Every Year in collaboration with Central Blood Bank, Manicktala, Kolkata. The College collects blood of at least about 60 donors. The blood is stored and transported under optimum condition with the help of Central Blood Bank workers and Students of the College. Transfusion was always under the supervision of trained personnel. Under the policy, blood transfusion is available to people irrespective of their economic or social status.

TOTAL LITERACY DRIVE

- The Department of Bengali, Raja Peary Mohan College regularly visits the primary schools in the slums area of Uttarpara, Hooghly and teaches the socio-economically backward students of the school. The resource for this is generated by the teachers and department of Bengali. The literacy drive has made possible to improve the performance of the students and also promote volunteerism and community work in the field of education and child empowerment.

B. CULTURAL AND CO-CURRICULAR ACTIVITIES

This College have always encouraged cultural activities among students. A few examples may be cited:

FRESHERS' WELCOME:

- At the beginning of the Academic Session, after admissions are complete, the Students' Union Organise Freshers' Welcome for the newly admitted students. The Principal and some members of the Staff apprise the students regarding the College, its ambience and

aims. This is followed by Cultural Programme organised by the students.

COLLEGE DRAMA GROUP:

- From 1957 plays were regularly staged during the annual festival of the College. It is said that the students of the College were taught the techniques of acting by the famous Indian theatre personality Sisir Kumar Bhadhuri (who was once a College teacher in English) who came to the college regularly to direct the students of the College for a presentation of Tagore's Post Office. (*Theatre Prayag*, p-73, Vol. 3, No.1, October, 2004).
- We would like to specially emphasize the role of the students of this College in taking active participation in cultural activities in the form of theatre, dance-drama, singing competitions etc. The Students' Theatre Group was ranked first in "All Bengal Inter-College Drama Competition" under the leadership of Dr Kuntal Mukhopadhyay, a prominent theatre personality and a faculty member of the college, organized by Sudrak and sponsored by Maharaja Manindra College, Kolkata.
- The Students' Union actively participates in socio-cultural upliftment through production of dramas which are staged in various villages and townships of the districts of West Bengal. Such dramas depict the Social evils, the atrocities against women and the downtrodden.
- Presently the ex-students of the college has formed a theatre group "Saronik" which performs regular shows in different districts of the state and has also received some recognitions from theatre loving persons of Bengal.
- The Shakespeare Society of India has staged excerpts from the plays of Shakespeare in which the students of English Honours have actively participated.

STUDENTS' FESTIVAL:

A two-day programme is held in the month of January every year. The major programmes are:

- Prize Distribution Ceremony: Prizes are distributed among successful candidates of various University Examination who have topped among the College students, and to winners of Singing, Recitation, Debate, Extempore Speech, Quiz Competitions.
- Inter-Institutional Cultural Competition: Academic Institution in and around the College are invited to participate in a cultural competition. Every year a significant number of schools take part in this programme. Such initiatives are taken to spread the message of peace, equality in diversity and a drug-free world among the future of the Nation.
- The students of the Departments of Bengali, Philosophy, English, Physiology, Political Science, Physics, Chemistry, Economics, History, Mathematics, Zoology, Botany, Commerce have organised function to felicitate teachers on Teachers' Day.

.....

In 2005 the college has been accredited by NAAC, under UGC and is graded B++.

The visiting peer team of the NAAC highly appraised the talents of the students in the field of performing Art, after seeing a programme of the students during their two days visit. They have recommended in their report to open a Performing Art Cell to encourage and uplift the talents in the field of Performing Art. After the formation of the Internal Quality Assurance Cell (IQAC), as is the process after NAAC accreditation, the college has established a **Performing Art Cell under IQAC** in 2007. The cell began its journey by participating in the weeklong cultural programme to commemorate the Sesquicentennial celebration of Calcutta University in the 2nd half of January 2007. The cell also organized a three days work shop on "Theatre Performance" from 20th to 23rd December 2007. About 50 students appeared for the screening tests from different colleges of West Bengal, among which 36 were selected. Famous theatre personality Sri Arun Mukhopadhyay inaugurated the workshop. The Secretary of West Bengal Natya Academy was also present and graced the occasion. After the three day workshop a certificate of participation was awarded to the participants.

Performing Art Cell wishes to start certificate courses in performing Art. The cell is in process of negotiating with Rabindra Bharati University so that it can start certificate courses.

COLLABORATION WITH NGOS FOR COMMUNITY SERVICES

a) Eco Club Raja Peary Mohan College was established in a joint collaboration with “Pachim Banga Bigyan Mancha”, one of the biggest NGO in West Bengal, a body actively engaged in enhancing scientific awareness throughout the state. In fact it is the only organisation of its kind in an undergraduate college in West Bengal. The joint effort has produced the following results:

The A.P.C Roy Eco Club have completed one year on September 2005. Accordingly the 1st conference was held on 13.09.05 at the Centenary Hall in the college premises. A seminar lecture was arranged to mark the occasion. Dr. Bhabani Shankar Joarder, Secretary, *Pachim Banga Vigyan Mancha* Hooghly District committee delivered a lecture on contemporary environmental issues.

- Nutrition awareness camp in the local colony (Boliobagan) in December 2006
- Exhibition and awareness camp organized in collaboration with *Pachim Banga Vigyan Mancha* Hooghly District committee on “Scientific and Environmental awareness” in December 2007.

b) In 2006 the inspiring and active effort of Dr Srutinath Praharaj Head of the Department of Raja Peary Mohan College led to the formation of NGO “ALO” especially for the needy and talented students. The teachers of this college willingly became members of this organization and are taking initiative to

collected donation from different source to help some talented people to realize their aim to some extent. The teachers also donated as when required and some of them regularly to the fund of this organization.

c) **“PRERONA”, established in 2007 this Non-Government organization (NGO) help the needy and talented students. Some teachers of our college - Dr Hrishita Gupta Bakshi of the Bengali Department and Smt Monalisa Srimani of the History Department give free coaching to the students in the graduation level in this organization.**

d) **Last but not the least some teachers of this college took the initiative to help a talented and needy student, Sri Santanu Mukherjee to become a MBBS Doctor. In 2005 from a Bengali daily newspaper they got the news that student from a village in Bankura District got chance in the joint entrance medical examination in National Medical College but was unable to continue his studies for lack of money. The teachers contacted the student through the newspaper and took initiative to make his aim come true. He is now in his final year and we hope that he will complete his studies successfully in a very short time.**

COLLABORATION WITH INTERNATIONAL LEVEL ACADEMIC INSTITUTIONS

- a) A project entitled *“A Study on the Variability of Total Electron Content near the Crest of the Equatorial Anomaly in the Indian zone”* has been sanctioned by the INDIAN SPACE RESEARCH ORGANISATION (ISRO), Department of Space, Government of India, under RESPOND Program for financial assistance. Total approved grant for the Project is Rs.6.96 lakhs for three years. Principal Investigator of the said Project is Dr. Shyamal Kumar Chakraborty, Department of Physics.

The implementation date for the Project is 12th January, 2006. One Junior Research Fellow named Rajkumar Hajra, M.Sc. in Physics, has been recruited under this

project. The Project is mainly based on variability study of Ionospheric Total Electron Content (TEC) which is one of the important parameters for the Space Weather problem. TEC has been measured by Faraday rotation technique using trans-ionospheric signal (136.11 MHz) from the geostationary satellite ETS II. The data were recorded at the Ionospheric Field Station, Haringhata (22.48° N, 88.5° E, dip: 32° N) of the University of Calcutta. Field station, being situated virtually below the northern crest of the Equatorial anomaly, presents an excellent platform for studying Equatorial Phenomena. A long term (1979-90) TEC data base along with solar flux (810.7), electrojet/ magnetic and wind data will be utilized for the present analysis. Unique feature of the data base is that it includes both the increasing phase (1986-90) as well as decreasing phase (1979-85) of solar activity. Extensive study will be made to find out dependence of TEC, both qualitatively and quantitatively, on various geophysical parameters. The study will be useful in predicting the ionospheric group delay of trans-ionospheric signal as used in GPS and other systems.

REMEDIAL PROGRAMMES CONDUCTED FOR STUDENTS WITH DIFFICULTIES:

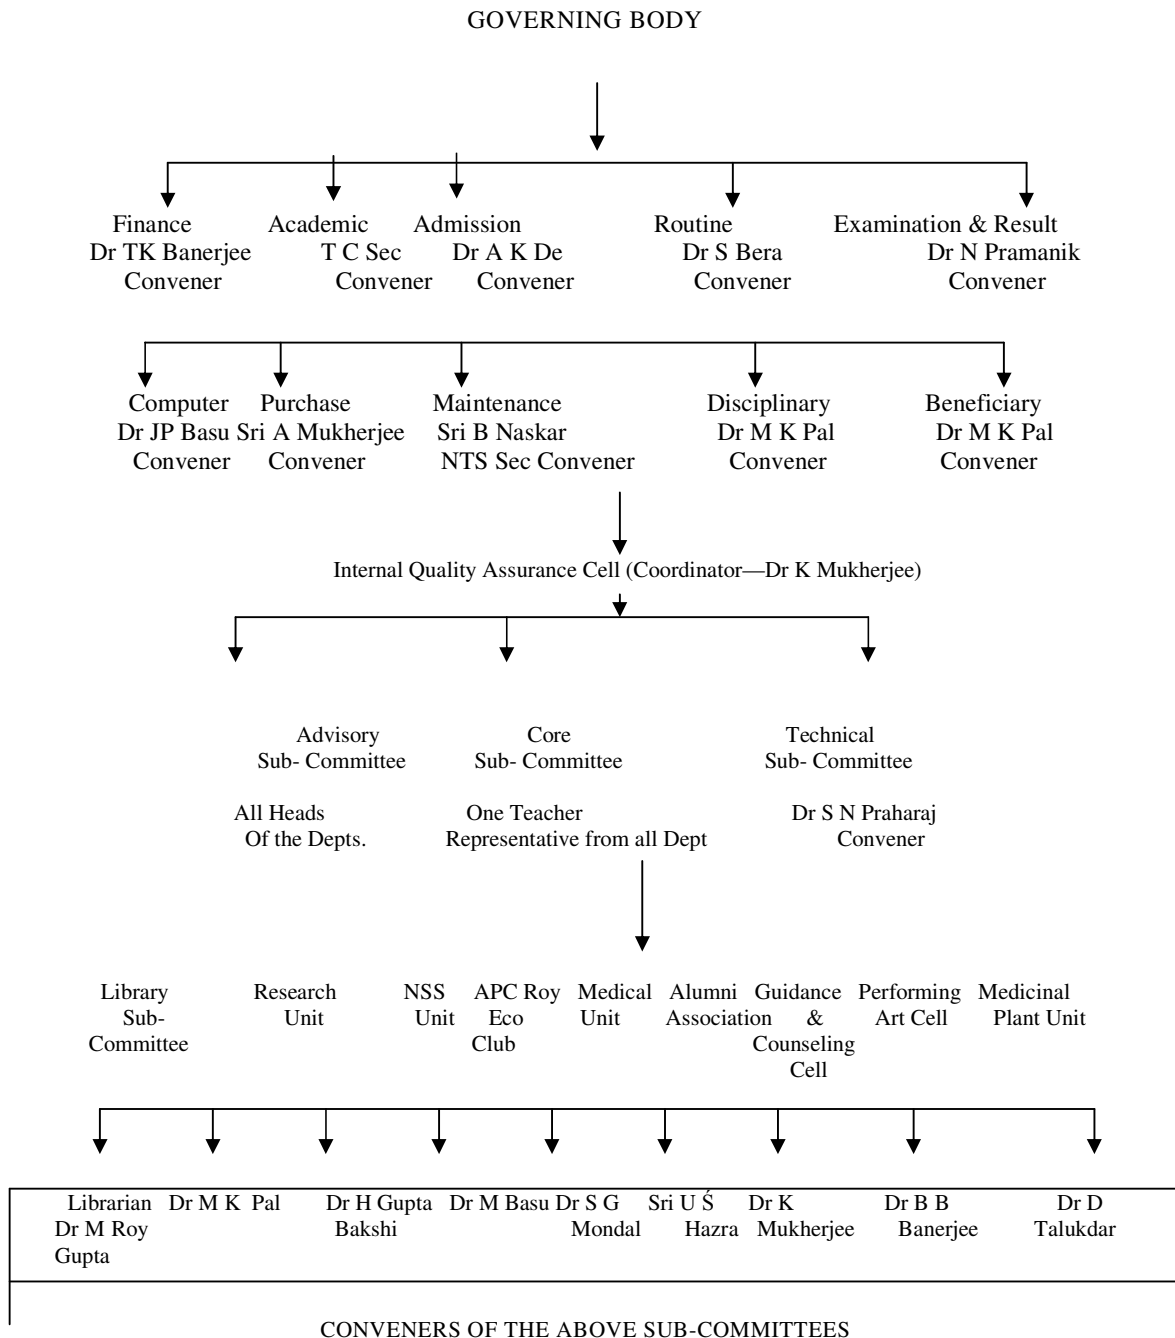

- The departmental teachers take special class for weak students.
- Tutorial classes are arranged to look into the weakness of each students.
- Parent teacher meeting is organized by the departments to discuss the progress and identify the problems of any students.
- The teachers also give notes and reference books to students to help them to write good and proper answers in their examinations.
- A guidance and counseling unit is created in order to lend a helping hand to the students so that they can cope better with the demands and pressures of increasingly competitive surroundings.
- A special counselling interactive session with the students have already been organised by Amrita Roy, a student of University of Ontario, Canada on 28.08.06 with “Public Health and Human Rights” as the focus area.
- IQAC and Anandabazar Patrika Group organized a Career counseling session in May 2007 on the prospects of Hotel Management and Tax consultancy services.
- The Department of Commerce Organized a career guidance Programme in collaboration with IICA on 08. 09. 2006.
- However individual teachers have already distinguished themselves in this respect outside the confines of the college like
 - **Dr. Kuntal Mukhopadhyay** teaches Sociology at Family Counselling Training Programme organised by Bidhan Nagar Family Welfare Organisation, Kolkata

- **Dr. Bulbul Thakur** is associated with the “Louis Braille Memorial School for the Sightless”, Uttarpara as a guest faculty member to teach Physiology to the visually handicapped trainees of Physiotherapy Training Course sponsored by the Government of West Bengal for the rehabilitation of the visually handicapped people of the society.
- **Dr. Apurba Kumar Dey** is given the unique opportunity to direct a play enacted by the sex workers at Kalighat on behalf of the Daywalka Foundation (TDF) which is an NGO that combat all forms of violence against women and children, focusing on modern day slavery and human trafficking.
